

WHEN BELIEF AND KNOWING OCCUR AT THE SAME TIME,  
YOU HAVE FOUND ...

$$\sigma \leftrightarrow \mathbf{E} = \rho / \epsilon_0 \quad \sigma \leftrightarrow \mathbf{B} = 0$$

$$\sigma \times \mathbf{E} + \partial \mathbf{B} / \partial t = 0$$

$$\sigma \times \mathbf{B} + \partial \mathbf{E} / c^2 \partial t = \mu_0 \mathbf{J}$$

THE GENIUS IN YOU.
